The event started at 11.30 AM on 20.10.2022. SurinaMol R,convenor welcomed the gathering and she talked about the malaise called corruption which spreads like a cancerthat

undermines Human Resources which leads eventually to a decline in Human Development Index in developing nation like India.

Dr. Krishnakumar R, Principal-in-charge, in his presidential address cited the need for a corruption free Kerala and the importance of such endeavours in our campus.

*Presidential address by Dr. Krishnakumar R, Principal*

Sri Shijumon P, S I (Vigilance & Anti- Corruption Bureau) felicitated the function, and it was followed by the brief speech of Sri Rajeev D, C I (Vigilance & Anti- Corruption Bureau), who introduced the students about the need of corruption free government offices where people can work in harmony for the progress of Nation. Later it was followed by the detailed discussion by Sri. Manoj Chandran, CI (Vigilance & Anti-Corruption) He asked such pertinent questions like “What is Corruption”. Corruption is of two kinds. One is the government officer consciously doing the crime and another is people forcing an officer to do corruption. Corruption can be gifts, money or other services.

*Felicitations by Shijumon P, SI*

*Topic introduction by Rajeev D, CI*

*Presentation and discussion by Manoj Chandran, CI*

He explained the structure of Vigilance Unit in Trivandrum with reference to main and sub offices. The cases related to corruption are handled with extreme care and the disclosure of informer's identity is purely his/her personal choice. Vigilance has many traps to convict the criminals and it should not be used to wreak vengeance. If convicted in a case, the govt servant would face a term of imprisonment even dismissal from the service. A vigilance angle would be laid on the government servants if they fail to do their responsibilities. The talk was soon followed by a discussion where the students and teachers asked some important questions with regard to the status of cases, grievances of students related to government offices, the power of Vigilance on different cases, punishment etc. The fruitful interaction was succeeded by insightful feedback and vote of thanks given by the student convenor Gracious P
