Session started with introducing different investment avenues available to achieve our life goals. After presenting risk return relationship of different investment opportunities, stock market investment was highlighted. Working of stock market was described in brief.

The main objective of the programme was to help students to have an orientation for investing. The idea of starting investment at an early age was emphasised throughout the session.

Start early, diversify investment, authorised brokers only, analyse and invest, monitor investment regularly were few mantras of investment which were explained.

The screenshot shows a video conference interface. The main window displays a presentation slide titled "4. ANALYSE AND INVEST". The slide contains the following text:

- Choose companies with strong fundamentals.
(Analyze the industry, Read the annual reports of the companies, promoters history, any pending litigations against the company and key financial data.)
- Do not Invest based on Rumors.
- Do not invest to please a friend or relative.

Below the text is an image of a golden coin on a document with a line graph. To the right of the image is a traffic light graphic with the text "Soch kar", "Samaj kar", and "Invest kar" next to the red, yellow, and green lights respectively. A small notification bar at the bottom of the slide says "www.townscript.com is sharing your screen. Stop sharing Hide".

On the right side of the interface, there is a video feed of a participant named "Sanil Abraham". Above it is a smaller video feed of the "National Stock Exchange" with a host icon labeled "NA". The top of the interface shows the title "Investor Awareness Programme", a timer at "00:42:26", and buttons for "Report Issue" and "Exit Full Screen". At the bottom, there is a "Switch to Audio Only" button and three icons: a heart, a thumbs up, and a speech bubble.
