SWOT Analysis of Qualitative data

<p>Strength</p> <p>“1.All teachers use ICT tools for teaching process. 2.Always discuss each student's academic performance with them personally. 3.Give awareness and informations about the professions related to the course which is selected by the students.”</p> <p>“Friendly relationship of teacher and student, very well teaching and learning experience”</p> <p>“The learning experience was quite exciting, got exposure to study different social experiences as well as culture diversities pragmatically instead of being theoretical. And need to focus on more diversified activities to develop and sharpening the practical skill that helps to reflex our capabilities in the specialized subject.”</p>	<p>Weakness</p> <p>Promote sports items</p> <p>Complete all the lessons before the exam.</p> <p>“Need to make a communication between students, at least smile at them Don't give overload assignment work regularly, because there were students who are coming from long distance for them it's very uncomfortable to do all the write up and submit on next day, atleast give the assignments earlier or give some time.”</p>
<p>Opportunity</p> <p>“Institution needs to support gender equality.... healthy relations between students irrespective of gender bias should be encouraged”</p> <p>“new technologies of e-classroom, Opportunity to teach their peer group by the classmates”</p> <p>“Teach by incorporating all modern facilities.”</p> <p>Teachers must find the study level of each student. Listen and care low study level students. Easy methods use to teaching for students”</p> <p>Introduce value-based education through effective communication and give more oppurtunities to faculties to ensure good health to students Include practical based syllabus system Give more rights to teachers to control students in adult ages”</p> <p>“Consider new learning methods Utilize a variety of technology options Connect to students individually”</p>	<p>Constrain</p> <p>“conduct exhibitions or field activities of areas which are taught or about the subject.”</p> <p>“There is no programmes and we are not getting any memorable events from this institute.”</p> <p>“Students should have the freedom to open up to their teachers if they have any problems.”</p>
