A	Aggregate Score	1515	1840	82.34

SWOT Analysis of Qualitative data

Strength "Attitude towards students become more better Encourage extra curriculum activities" "Teaching staffs are very good also encourage and motivated students to study very well" "Very good teaching".	Weakness "The environment of learning in the institution is not excellent" "The library is not student's friendly. It should become more better and more digitalized. Carrier oriented mentoring is poor" "Teacher should prepare before taking lessons" "Teachers should know about student's weakness and help them to overcome"
Opportunity "My only suggestion is most of students don't	Constrain "Give time to participate in extra curricular

know about opportunities in economics”
“Teachers must provide career guidance and information to the students to prove himself what is he/she capabilities”
“Somewhat encourage extra activities”
“Encourage internship and seminars”
“ Improve students interactions with other universities outside state boundaries: our students need to see the clear picture of the vast laid out different domains of knowledge where the students from our college to relate, improve, generate new pedagogical pathway to innovatively add up to their learning and understanding of each core subject”
“ Task related to social commitment: it would do better if there is an initiative put forward by Institution to mandatory social intertwined programs apart from academic activities to accelerate the student outlook on the societal challenges up close and through their own idea and their initiative (support by the institution/department) take necessary actions by practicing thereby carving an actual responsible and duty oriented personalities among them”
“Reflective journal by the end of the student's each semester: Promotion of students to set up an reflective write up to analysis their own achievement through each semesters and to document their improvement in various domains of interest in bother academic or non- academic. (After all a mirror is needed to see the growth by themselves and to recognise each it accordingly.)”

activities.”
